Presidents Message
(Adapted from two emails from outgoing and incoming Presidents sent to membership in June 2015)

The Officers for the 2015-2016 chapter year is as follows:
President – Andrew Longacre
Vice President – Brad August
Treasurer – Brianna Kline
Secretary – Robert Bracken

Delegates – Aaron Cameron, Carl Heinlein, Joe Kopko

A list of upcoming events:

**July/August** – We traditionally take the summer off, but watch out for a pirate game or networking event invitation.

**September** – ASSE Golf Outing, Friday September 18th – Grandview Golf Club. Save the date flyers will be forthcoming.

**October** – Inaugural Safety Management Symposium – Thursday October 8, Erikson Alumni Center/Ruby Grand Hall, West Virginia University. Registration opens July 1.

**November** – 3rd Annual PDC, November 10, at the Monroeville Doubletree Hotel/Monroeville Convention Center

A single email address has been established to contact the Western PA ASSE chapter in which all Chapter-related business and meeting RSVPs will be accepted.
The new email address is: westernpaasse@gmail.com .

The Officers and Chairpersons may still be emailed at the addresses listed in the Newsletter and on the website.

Event Registration
You can register for the event(s) using one of two (2) ways:

1. Register through the ASSE WPA website and pay at the door; OR
2. Call the hotline at 412-281-1885, leave your name, the number of people attending and a phone number where we can call you back in case of questions.

Future Program Ideas
It’s never too late to think about topics for future programs - please give it some thought and let us know what you’re interested in hearing about. Forward any ideas on speakers or topics to Andrew Longacre, President at alongacre@acraneusa.com or any of our other Executive Board Volunteers listed at the end of the Newsletter.
Volunteers Needed – Annual ASSE WPA PDC in November, 2015
For the past two years our Chapter has held an extremely successful one-day PDC in October. This event has been jointly coordinated with our student sections at Slippery Rock University and Indiana University of Pennsylvania and has been rotated between the two campuses. Profits generated from this event are being targeted to funding an endowed scholarship with the ASSE Foundation that will be available to students at both sections once it is fully funded.

As you can imagine, the planning for these events starts long before they occur and it is almost time for the process to kick off. We are looking for a couple of volunteers to join the Planning Committee. Except for a few tasks that occur close to the PDC, all of the work can be done remotely. We conduct monthly conference calls and there is a few more hours in between devoted to various planning tasks. In addition, we’ve done this successfully twice now so we have a pretty good model to work from and we can find a task that will fit the amount of time you have available.

We would love to have you join us. If you are interested, please call or email.

Student Sponsors
Students enrolled in Safety Sciences are the future of our profession. The Executive Committee and Chairs are continuing the effort to develop linkages and outreach with the two Student Sections at IUP and Slippery Rock. The current policy is to allow Student Section members from either school attend our monthly technical meetings for free. The chapter absorbs this cost in our operating budget. You can help the chapter by sponsoring a student or two and pay their meeting fee. If you or your company would be willing to do this, please get in touch with Pam Walaski, CSP, CHMM – P.Walaski@gaiconsultants.com or Jackie Kuntz, ASHM – jackie@rjrsafety.com.

Opportunities to Assist Students
As many of you know, our Professional Chapter sponsors two Student Sections at Indiana University and Slippery Rock University. For this Program Year, Jackie Kuntz and I have taken on the role of Student Section Liaisons and have been working with the faculty sponsors to identify how we can best work together. We have developed several goals for this year, one of which involves Professional members providing opportunities to assist students to prepare for graduation and professional work. This can be done through a variety of activities, including work-shadowing and internships; small group tours of member worksites; research projects; mock interviews; and resume practice.

We understand many of you perform these types of tasks as part of the organization you work for or because you are alumni of one of the schools. We are looking to expand this process and are looking for volunteers who are interested in engaging with a student(s) in some way. As safety professionals, we all understand the need to give back to our profession and to reach back and pull along the next generation who will continue the good work we do every day.

We know there are many demands on your time and we promise to make the commitment as minimal as possible and to work within your scheduling constraints. Please give this your best consideration and let Jackie or I know if you think you can help.

Thanks in advance!
