Student Sponsors
Students enrolled in Safety Sciences are the future of our profession. The Executive Committee and Chairs are continuing the effort to develop linkages and outreach with the two Student Sections at IUP and Slippery Rock. The current policy is to allow Student Section members from either school attend our monthly technical meetings for free. The chapter absorbs this cost in our operating budget. You can help the chapter by sponsoring a student or two and pay their meeting fee. If you or your company would be willing to do this, please get in touch with Pam Walaski, CSP, CHMM – P.Walaski@gaiconsultants.com or Jackie Kuntz, ASHM – safetyjackie@yahoo.com

Opportunities to Assist Students
As many of you know, our Professional Chapter sponsors two Student Sections at Indiana University and Slippery Rock University. For this Program Year, Jackie Kuntz and I have taken on the role of Student Section Liaisons and have been working with the faculty sponsors to identify how we can best work together. We have developed several goals for this year, one of which involves Professional members providing opportunities to assist students to prepare for
graduation and professional work. This can be done through a variety of activities, including work-shadowing and internships; small group tours of member worksites; research projects; mock interviews; and resume practice.

We understand many of you perform these types of tasks as part of the organization you work for or because you are alumni of one of the schools. We are looking to expand this process and are looking for volunteers who are interested in engaging with a student(s) in some way. As safety professionals, we all understand the need to give back to our profession and to reach back and pull along the next generation who will continue the good work we do every day.

We know there are many demands on your time and we promise to make the commitment as minimal as possible and to work within your scheduling constraints. Please give this your best consideration and let Jackie or I know if you think you can help.

Thank you in advance!
Pam Walaski, CSP, CHMM – P.Walaski@gaiconsultants.com
Jackie Barkus, ASHM – safetyjackie@yahoo.com
