**ASSE Region 8 Regional Operating Committee (ROC) Meeting - SAVE THE DATE!**
The ROC Meeting will be held in Pittsburgh, PA on April 23-24, 2018 and will include networking events, business meeting, training from regional and Society staff and a tour(s) of a local organization. We have tentatively arranged to hold the meeting with our friends at the Master Builders’ Association of Western PA and are seeking local restaurants and tour location(s) that will be of great interest to the attendees.

Overall, the goal will be to efficiently conduct the business of our region and to fellowship with other chapter leaders.

An agenda will be provided soon, along with travel and hotel accommodation information. The plan would be to arrive either Sunday evening or Monday morning and to start the business meeting Monday at around 9 am. We would end Tuesday around 3 pm so everyone has a chance to sleep in their own bed that night. We will likely arrange a tour on Tuesday afternoon for those that choose to stay the evening. We will be looking to make certain any hotel we choose has an airport shuttle, though this may be an opportunity to check out our great city for an extended weekend.

I would like to achieve 100% chapter Executive Board participation for this Regional Operating Committee (ROC) meeting.

Aaron Cameron, Regional VP

**Student Sponsors**
Students enrolled in Safety Sciences are the future of our profession. The Executive Committee and Chairs are continuing the effort to develop linkages and outreach with the two Student Sections at IUP and Slippery Rock. The current policy is to allow Student Section members from either school attend our monthly technical meetings for free. The chapter absorbs this cost in our operating budget. You can help the chapter by sponsoring a student or two and pay their meeting fee. If you or your company would be willing to do this, please get in touch with Pam Walaski, CSP, CHMM – P.Walaski@gaiconsultants.com or Jackie Kuntz, ASHM – safetyjackie@yahoo.com

Opportunities to Assist Students
As many of you know, our Professional Chapter sponsors two Student Sections at Indiana University and Slippery Rock University. For this Program Year, Jackie Kuntz and I have taken on the role of Student Section Liaisons and have been working with the faculty sponsors to identify how we can best work together. We have developed several goals for this year, one of which involves Professional members providing opportunities to assist students to prepare for graduation and professional work. This can be done through a variety of activities, including work-shadowing and internships; small group tours of member worksites; research projects; mock interviews; and resume practice.

We understand many of you perform these types of tasks as part of the organization you work for or because you are alumni of one of the schools. We are looking to expand this process and are looking for volunteers who are interested in engaging with a student(s) in some way. As safety professionals, we all understand the need to give back to our profession and to reach back and pull along the next generation who will continue the good work we do every day.

We know there are many demands on your time and we promise to make the commitment as minimal as possible and to work within your scheduling constraints. Please give this your best consideration and let Jackie or I know if you think you can help.

Thank you in advance!
Pam Walaski, CSP, CHMM – P.Walaski@gaiconsultants.com
Jackie Barkus, ASHM – safetyjackie@yahoo.com

Career Opportunities

Local Chapter Website ([http://wpa-asse.com](http://wpa-asse.com))
If you’re looking for a change in scenery, please take the time to check out our chapter website under the ‘Jobs’ tab. If you have job openings you would like to post on the chapter website, please contact our website administrator Wayne Vanderhoof at wayne@rjrsafety.com.

ASSE Career Opportunity Website ([www.nexsteps.org](http://www.nexsteps.org))
Whether you are seeking a job in the safety profession, or an employer looking for that perfect candidate to fill your safety related positions, Nexsteps is the website for you! As you might expect, the opportunities for careers in safety are virtually limitless. With just a few clicks of the mouse, job seekers can easily post their resume on Nexsteps for employers to view, and receive automated notifications when jobs are available that match your interests. There is no cost to post your resume or search available positions. Employers can post listings for available positions, search resumes online and setup a resume agent to alert you when new resumes are posted that match your criteria. Job posting prices vary- details can be found at [www.nexsteps.org](http://www.nexsteps.org).

Keep ASSE Profile Up-to-Date
This is a reminder to keep your ASSE Profile updated so that the chapter can reach you by email to keep you in-the-loop on local ASSE chapter events and news.

The process is very easy! Go to the ASSE.org website, select Member Log-in and use your email address and Membership number (do not use the first zero in the number). Select “Update My Account” and the update your information including your email address and phone number. You can select your email preferences at the very end of the screen just before you hit “Save”.

Again, it is very important to keep this information up to date as it is used by the Chapter to keep to informed of Chapter events.

Single Email Address
A single email address has been established to contact the Western PA ASSE chapter in which all Chapter-related business and meeting RSVPs will be accepted. The new email address is: westernpaasse@gmail.com.

The Officers and Chairpersons may still be emailed at the addresses listed in the Newsletter and on the website.

Editorial Note: The monthly newsletter will be published electronically – posted on the chapter website – during the third week of each month. Therefore, all material to be placed in the newsletter for the month needs to be in the email mailbox of this editor at wayne.vanderhoof@rettew.com by the 15th of each month, if not earlier.

Thank you,
Wayne Vanderhoof, CSP
