

Call for Speakers!

13th Annual Western PA ASSP Regional Professional Development Conference (PDC) – March 26, 2026

Conference location: IUP Kovalchick Conference and Athletic Complex (KCAC)

711 Pratt Drive, Indiana, PA 15705

Please provide all the following information in a **Word Document**:

- Full name, credentials (e.g., CSP, etc.), job title, company name and email address.
- The title and a short description of your presentation (minimum 2-3 sentences).
- The Learning Objectives for the presentation (minimum of 3).
- A short biography outlining your education, job experience, and involvement in professional organizations.
- It is recommended that you submit only one, but no more than two topics.

Would you like to be considered as a panelist for a discussion regarding the utilization of Artificial Intelligence (AI) in EHS?

- If so, please submit a **Word Document** with a synopsis of your actual experience utilizing AI for EHS Specific activities with one or two examples.
- Please provide your full name, credentials (e.g., CSP, etc.), job title, company name and email address.

Please submit proposals by January 9, 2026, to: Melissa Heike at

melissa@rjrsafety.com

The WPA ASSP PDC Committee has the right to approve or disapprove any or all speaker proposals. A potential candidate submitting a speaker proposal is no guarantee that the individual will be selected as a speaker for the event. Speakers will be notified of proposal acceptance by the end of January.
