This material was produced under grant number 25F50SH000216-01-00 from the Occupational Safety and Health Administration, U.S. Department of Labor. It does not necessarily reflect the views or policies of the U.S. Department of Labor, nor does mention of trade names, commercial products, or organizations imply endorsement by the U.S. Government.

Indiana University of Pennsylvania's Safety Sciences and Environmental Engineering Department, at the time of publication, is funded by a grant of $950,000 federal funds, constituting 100% of the program budget with no percentage or dollars of the program budget financed through non-governmental sources. The grant was awarded September 30, 2025.
